## HPG Supports EarthShare NC's Earth Day Corporate Challenge

**RALEIGH, N.C. (April 27, 2015)** — Hughes Pittman & Gupton, LLP (HPG), a Triangle-based CPA firm serving the financial management needs of local, multi-state, and international businesses, as well as their owners, is proud to sponsor EarthShareNC's 1st Annual Earth Day Corporate Challenge. In addition to the firm's sponsorship of the event, staff members donated their time.

The EarthShareNC Corporate Challenge is a project designed to unite corporate interest in the health of the community, team-building for employees, and service to benefit the nonprofits that care for our natural resources every day. The team from HPG was matched with Carolina Tiger Rescue and completed a hands-on volunteer project.

“We are pleased to be able to work with such a great organization,” said Nanette Faith Crowley, HPG Tax Manager and Treasurer of EarthShareNC. “It was a wonderful opportunity to celebrate Earth Day and serve a local nonprofit. We are grateful to have the opportunity to reinforce HPG's commitment to our community and to the environment while building relationships and teamwork and engaging our employees with a hands-on experience to keep NC great.”

EarthShareNC was founded in 1991 by a group of nonprofits with the goal of connecting more people and resources to the conservation movement. They do this by partnering with employers to encourage workplace giving and employee engagement programs.
