

Conservation Highlights

Your investment makes an impact

#Impact *Land*

Protected 669 acres along Waccamaw River, home to fish & mollusks found no where else in the world!

#Impact *Air*

Through 6 Ozone Garden Projects, kids learned about air quality, sources of air pollution, & health impacts on plants and humans.

#Impact *Wildlife*

Over 16,500 children experienced the outdoors, creating the next generation of wildlife conservationist.

#Impact *Water*

1 million pounds of trash was removed from the Neuse, Tar & Catawba Rivers.

#Impact *Economy*

Building a resilient economy by advancing clean energy solutions. 26,000 clean energy jobs this year!

#Impact *Land*

4 new bridges were constructed & old bridges were rebuilt to create safe passage along the 1,175 miles of Mountains-to-Sea-Trails!

EarthShare NC members are working every day to protect our land, air, water and wildlife.

By investing in EarthShare NC you impact our health, economy and quality of life.
